

specific

```
graph TD; A[specific] -- 2 --> B[AceInterface];
```

The diagram consists of two rectangular boxes. The top box is light blue with a dark gray border and contains the word "specific". A black arrow points vertically downwards from the bottom center of this box to the top center of the bottom box. To the right of the arrow, near its midpoint, is the number "2". The bottom box is white with a red border and contains the text "AceInterface".
